

RAW (Risk Awareness Module) – User Guide

Welcome to your Risk Awareness Online Course. We are delighted that you are taking the time to develop your safety awareness and the skills that will help keep you safe through whatever challenges lie ahead.

If you are making a purchase and / or have been given a coupon code to use:

- Please follow [this link](#) to access our learning site and to find your course
- Add the course to your cart and view cart
- Input your coupon code, apply this and proceed to checkout
- Complete your billing details and complete payment. The price shown will include your discount (for example if you have a 100 per cent discount the price will be shown as £0). The name used in the billing details will be the one that appears on the course certificate.

If you have been given a username and passcode:

- Proceed directly to this page: <https://firstoption.training/courses/risk-awareness-safety-training/>
- Select 'Login to enrol', inputting the username and passcode you have received, and you will then be able to proceed with the course.

A quick tip. When you finish a lesson or video, click 'Mark Complete' so that you can move on. If you are having any challenges progressing, then just let admin@firstoption.training know and we will help you move through.

The lessons must be completed sequentially, but after the first time, you can revisit the content at any point and in any order for revision. If you have any questions, please do get in touch with admin@firstoption.training for assistance.

We are here to help you so if you have any difficulties please do not hesitate to get in touch
